

Did you know that 46% of women fear becoming a bag lady?

And half are making over \$100,000!

30+yr Certified Financial Planner helps women eradicate their fears NOW so they don't lose another night's sleep

WHO: With Lily Tomlin, Gloria Steinham, Katie Couric and Shirley MacLaine having publicly admitted their fear of becoming bag ladies, it's no wonder women everywhere fear their money could disappear in a heartbeat.

WHAT: 815,000 women work at Wal-Mart AND 67% of working women haven't saved ANYTHING for retirement!

HOW: Negative Money messages and Socialization that "A Man is a Plan" have paralyzed women

WHEN: Start saving NOW! For every 10 years a woman waits to save, she'll have to save 3 times as much!

Debra's 3 INCREDIBLY Easy Solutions:

1. Feel the Fear but NOT ALONE – interview a TRUSTED advisor to help you plan
2. Insure your significant other – It'll be your Single Best Investment
3. Save 10-15% of your income – MUST earmark savings
